

Music Sculptures of Glass and Gold

Experience the liberation of sound and design through the transformation of ringing fragile glass into the unbreakable silence of The Force!

TO INSPIRE IS OUR MISSION

PERFECT8 Technologies are dedicated to producing ultra exclusive design loudspeakers for the real connoisseur. Every detail of a PERFECT8 loudspeaker serves one ultimate purpose – perfect musical reproduction. Its fidelity and ambiance follows strictly the laws of nature and our passion behind the design. In pursuit of our principal objective, each speaker is created with the understanding that the individual owner may have particular requirements, wishes, and needs. Every speaker is meticulously crafted according to your preferences.

Welcome to a very special world – the world of PERFECT8.

PERFECTION BY DESIGN

There is a passion behind every PERFECT8 product! Timeless design, superior craftsmanship, and outstanding sound quality – all unsurpassed milestones of excellence. This excellence is reflected throughout the entire collection; from the mystique and captivating sound of the tiny [The Cube](#) to the smart precision and transparency of [The Point](#), culminating in the enthralling impact and clarity of the ultra exclusive [The Force](#). Trust your eyes and ears to tell the truth – simply "Perfection by design".

Fill your senses with the purity of the music exactly the way it sounded at the time of recording. Imagine being conveyed through time to historic musical events. Our speakers are truly timeless works of art.

THE FORCE

"You know you've achieved perfection in design, not when you have nothing more to add, but when you have nothing more to take away."

ANTOINE DE SAINT-EXUPÉRY

THE POINT

CLEAR DISTINCTION

All of our products portray a distinctive uniqueness of their own. Our design team pride themselves in producing aesthetically pleasing speaker designs which excel in the extreme trials of true performance.

Only the finest of materials selected world wide are used in combination with advanced technological inventions to bring together an astonishing and uncompromising result.

"The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart."

HELLEN KELLER

BEAUTY FROM WITHIN

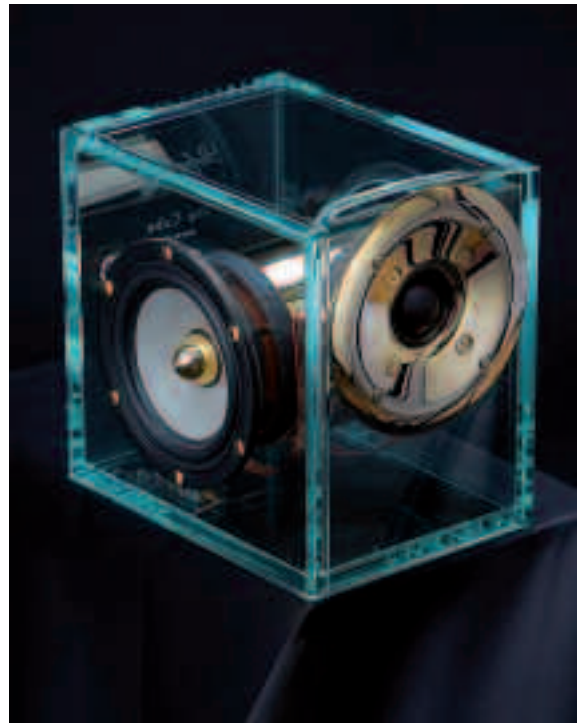

Margaret Wolfe Hungerford once said that Beauty is in the eye of the beholder. The transparency of the glass exposes every detail, thereby liberating the beauty from within.

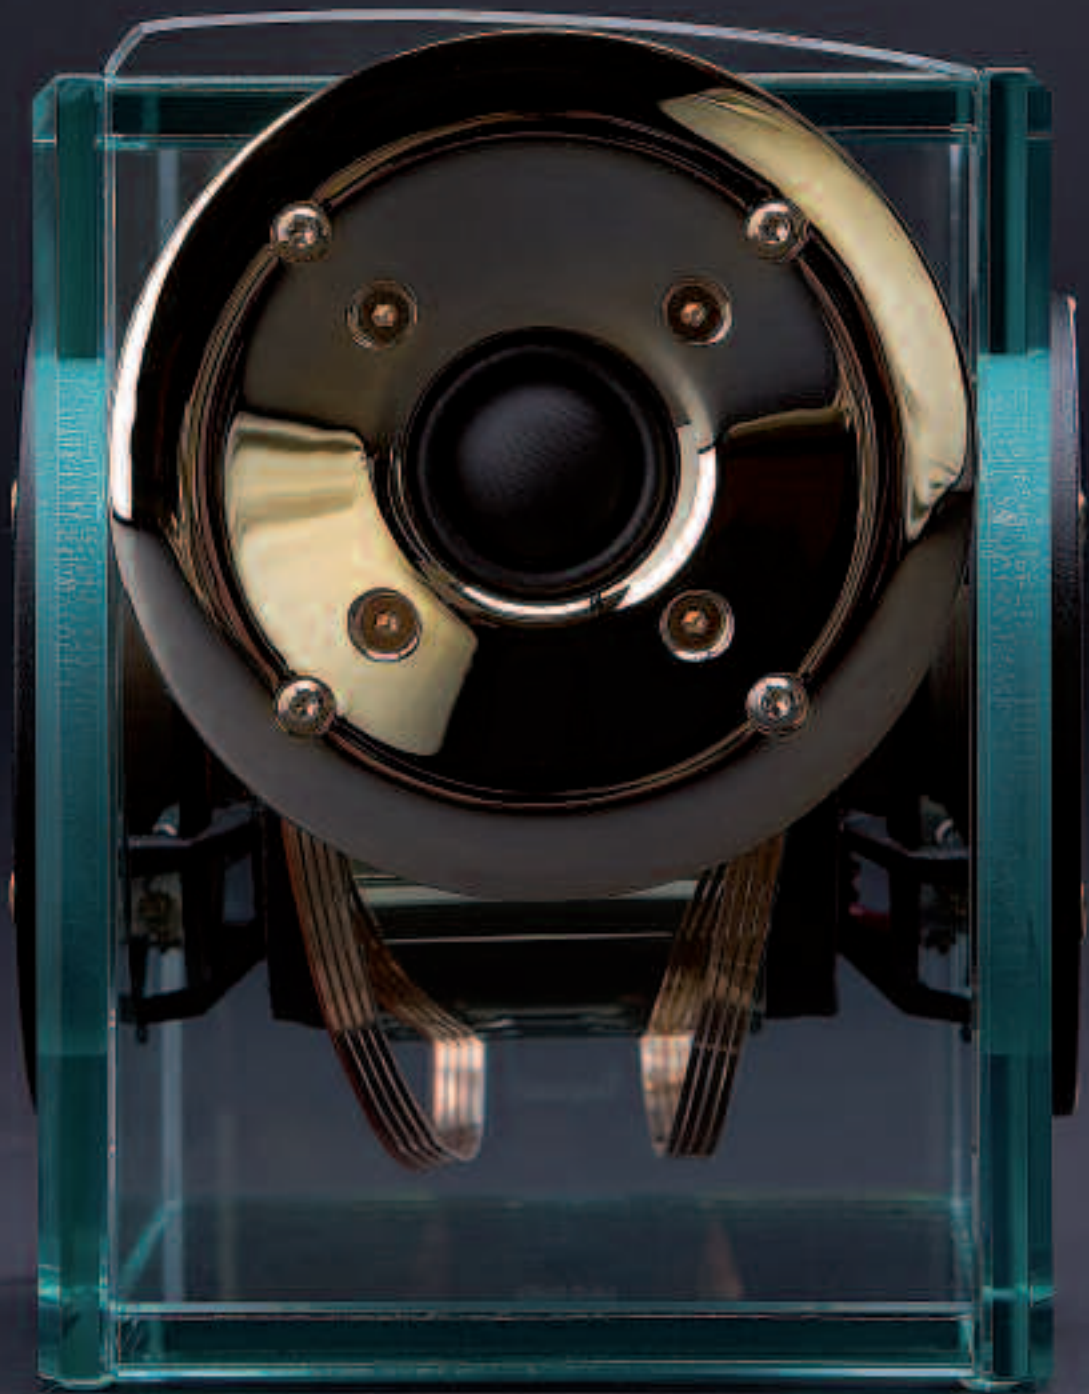

THE CUBE

"To see a world in a grain of sand
And heaven in a wildflower
Hold infinity in the palm of your hand
And eternity in an hour"

WILLIAM BLAKE

EVERYTHING EQUALLY MATCHED

The beauty of our products is achieved through the refinement of every detail, superior craftsmanship, and complete dedication to quality. Uncompromising even in the smallest of details, everything comes together to form a truly amazing experience.

Hear the silence, see the sublime beauty, feel the music as if you were there.

PERFECT8 – Perfection by design.
